EXECUTIVE PROFILE

International football executive with experience across Europe, Africa, South America and the Middle East. Builds modern football departments by connecting club identity, game model, first-team planning, academy pathways, scouting, recruitment, performance analysis, data and governance. Combines board-level perspective with hands-on implementation in multicultural, high-change environments.

SELECTED LEADERSHIP EXPERIENCE

CEO & Co-Founder | MindStats

PORTUGAL / GLOBAL | 2025-PRESENT

- Leading an AI platform focused on mental-performance intelligence in elite football.
- Turning resilience, psychological-performance and decision data into practical support for recruitment and player development.

Global Operations | MyGamePlan

BRAZIL / GLOBAL | 2024-PRESENT

- Signed the platform's first clubs in Brazil, Ecuador, the USA and Saudi Arabia.
- Advises executives and scouting teams on football identity, positional profiles, IDPs, recruitment frameworks, analysis and data-supported decisions.

Lecturer & Guest Speaker | SportZ / BOS Africa

BRAZIL / NIGERIA | 2025-PRESENT

- Delivers executive education on data-driven football identity and sustainable club operating models.
- Connects competition context, first team, academy, scouting, recruitment, leadership and social responsibility.

Technical Director | ENPPI West Football Academy

EGYPT | 2023-2025

- Oversaw methodology, training model and long-term player-development strategy.
- Standardised academy structure, coaching processes and talent evaluation against international high-performance standards.

Director of Football Operations & Academies | Kebbi United FC

NIGERIA | 2021-2023

- Directed club operations and led two state academies across Northern and Southern Kebbi.
- Built player pathways, scouting systems and technical methodology while linking boardroom decisions with community impact.

Football Executive Roles | Sporting CP

PORTUGAL | 2013-2018

- Assistant to the CEO - supported academy restructuring across technical, medical, recruitment, logistics and support functions.
- Implemented Sporting ISM - an integrated platform for scouting, training, medical and education data.
- UEFA Match Operations Liaison for Champions League and Europa League fixtures, 2014-2018.
- Executive Director of the Sporting Social Foundation - established an official, financially sustainable institution recognised by government and EU bodies.
- Sporting TV commentator with 350+ appearances, adding a broad understanding of club communication and supporter engagement.

MY VISION

Sustainable performance starts with a clear club identity. My role is to translate that identity into a coherent operating model - game model, profiles, development, recruitment, analysis and technology - then align people and accountability so the system outlives any individual cycle.

- 01 CLUB IDENTITY
- 02 GAME MODEL
- 03 PROFILES
- 04 DEVELOPMENT
- 05 RECRUITMENT
- 06 PERFORMANCE

INTERNATIONAL FOOTPRINT

Europe | Africa
South America | Middle East
